

3100 Kulmhotel
 Gornergrat summit experience

Events tailored specially to your needs: A walk or hike in the mountains with a private guide, a half-day's skiing (also available in summer!) or a convivial fondue dinner with a helping of Swiss folklore – we are always able to organise a suitable programme.

Weddings at the Kulmhotel Gornergrat: The ceremony will be held in the mountain chapel right next to the hotel. After the ceremony, the wedding party can enjoy a drinks reception on our sun terrace with a view of the majestic Matterhorn, followed by the wedding breakfast in the restaurant. All the bride and groom have to do is say "I do".

Contact information and how to find us

Location: Gornergrat, 3,100 metres above sea level

THE MOUNTAIN BASECAMP

 **THE KULMHOTEL** 

The sky so near

As the last train of the day wends its way to Zermatt, the 29 four-thousanders remain now the sole property of guests at the Kulmhotel Gornergrat. A night in the highest hotel in the Swiss Alps, at 3,100 metres above sea level, provides all the comfort you could wish for; to witness the majesty of the mountains is a profound and moving experience.

Brilliant blue skies, dramatic, unearthly grey storm clouds and the firmament ablaze with a thousand dazzling stars – there spread out before you is a matchless natural spectacle, an unparalleled splendour to reach out and touch. To stay here once means to return again and again.

Swiss pine wood gives the 22 rooms that special something. Some of it is from trees that grew hundreds of years on the steep mountainsides and survived many a storm. Practical, minimalist design enhances the view of the world outside the windows. Each room bears the name of one

of the four-thousanders grouped around the 3100 Kulmhotel Gornergrat. The rooms on the south side of the hotel provide an unobstructed view of the Monte Rosa Massif and the huge glaciers. The rooms on the west side of the hotel have a sensational panoramic view of the Matterhorn. Mountain air makes you hungry. Air-dried beef from the Valais with a glass of wine on the sun terrace, international cuisine in the restaurant Panorama Self or an exquisite dinner in the restaurant “vis-à-vis”. The 3100 Kulmhotel Gornergrat will entrance and delight even the most demanding gourmet.

Restaurant, sun terrace: Enjoy a drink or dinner al fresco and savour the magnificence of the alpine landscape. In the evening, overnight guests at the 3100 Kulmhotel Gornergrat are spoiled with a sumptuous 4-course dinner in the restaurant “vis-à-vis”.

Summit Shopping: Original souvenirs, Swiss watches and of course Swiss chocolate, packaged exclusively in special Gornergrat wrapping.

Zermatt, 1,600 metres above sea level: Anyone coming to Zermatt will be treated to sun, fresh, clean air, and, with the Matterhorn and 37 further four-thousanders, an unparalleled mountain backdrop, as well as a wide choice of summer and winter alpine activities.
